Communication from Galls to You.....

The Galls Team will reach out to you direct on these matters

- Verifying incorrect shipping addresses
- Backorder resolution by suggesting alternate sizes or preapproved substitutions. Verify need when extended backorders exist.
- Advising users of new item numbers when number is changed and where to find it (notification goes only to users who purchase item in question).
- Advising users of items that are replacing discontinued items once item is agreed upon by Securitas Purchasing (notification goes only to users who purchase item in question).
